Pop Mini Air RGB

Openly expressive

Fractal fuse flair with function in the new Pop series of cases that doesn’t skimp on aesthetics or flexibility. The entire series offers a solid foundation and excellent build quality, giving all users plenty of options and room to maneuver.
Key features

- Accommodates mATX / Mini ITX Motherboards
- Easily mounted tempered glass side panel lets you showcase your components
- Up to two HDDs and six SSDs (or one HDD and five SSDs with one optical bay in use)
- Comes with three of our 120 mm Aspect RGB fans (and supports two more for a total of five)
- Holds radiators up to 240 mm in the front, 240 mm in the top and 120 mm in the rear
- Two neatly concealed 5.25” bays with storage drawer and magnetic cover
- The easy-to-clean front mesh acts as a dust filter while allowing high airflow
- Easy cable management with multiple tie-down points, pre-mounted velcro straps and convenient extra-large pass-through holes
- Front I/O comes with two 3.0 USB 5 Gb/s ports, Mic and headphone jacks
- Newly developed addressable RGB controller and RGB power LEDs
- Optional USB-C upgrade kit (available separately) adds a full speed USB Type-C front port
- Comes with two ultra-versatile storage trays, each supporting a 3.5” and a 2.5” drive simultaneously
- Easy cable management with multiple tie-down points, pre-mounted velcro straps and convenient extra-large pass-through holes
- Unique, hexagonally patterned mesh front creates a striking visual effect
